Go for Quality and Order the Disco Cube Tent from JB

With the 1.1 KW blower, you can easily and quickly inflate the tent. Is the tent standing? Discover the possibilities inside! At the top of the Cube, there are two plastic covers containing the attachment and connection for, for example, disco balls and/or lighting. On the four D-rings on the ceiling, you can hang all types of lighting and decorations for the ultimate festive experience. Additionally, there is a separate compartment with space for a music box (40x40x60 cm). This Disco inflatable comes with disco lighting included.

The tent has been reinforced at multiple points and stitched multiple times, making it durable and of high quality PVC. This makes it both durable and easy to clean. There is a roll-up cloth attached, allowing you to easily close the tent. You can effortlessly take the inflatable party tent with you anywhere and set up the perfect inflatable party venue in no time!
