

Pirateslide

Ship ahoy!

This 10-metre pool obstacle course is a feast for the eye. What a sight to see between the enormous waves: a great inflatable pirate ship! Now isn't that every child's dream? Offering the Pirate Slide for your pool is guaranteed to put a smile on their faces.

Safe play

For years, JB has designed and manufactured unique inflatable attractions that can safely be used, because safety is our top priority. We provide an approved inspection certificate (NEN-EN 15649:2009), a blower, a Bravo air pressure gauge, a log book and a clear user manual for all water games. Every attraction comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the object stays in place. We supply everything you need in a complete package for a fantastic experience!

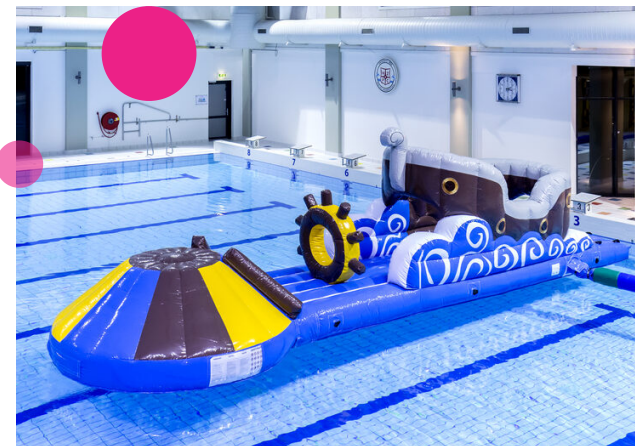

JB stands for premium quality

Strong, high frequency welded PVC material of 900 gr/m², that is what our products are made of and our way of guaranteeing their quality. In addition, the material has a protective coating that is resistant to influences of chlorine and other water properties. This means you will purchase a durable product that can be enjoyed for years to come. The Pirate Slide comes with a 1-year warranty.

Purchase this wonderful pool Pirate Slide and deliver the experience kids will remember as a great day!

Unique inflatable attractions in a grand way!

Do you know why JB has made people around the world jump for joy for over 15 years now? Because our expert team of designers, developers and logistic staff supply unique inflatable attractions in a grand way! Our customers are, therefore, assured of our professional service and delivery and that is why they tend to call us 'creators of greatness'.
