

Water walking mat

Walking on water? Easy!

Are you looking for a fun way to even add to the fun your visitors have in the pool? The water walking mat is a simple, yet effective way to introduce an extra dimension and enhance the swimming experience in your pool. Who is the fastest and can make it all the way to the other end of the water mat? The water walking mat is available in a variety of sizes and colours. Providing us with your very own design to be printed on the mat is also an option, which allows you use your pool mascot or logo, for instance. Feel free to inquire about the possibilities, we are happy to help you!

Safe play

For years, JB has designed and manufactured inflatable water attractions that can safely be used by everyone. We conveniently supply this water walking mat with a transport bag and anchoring materials. Every water game comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the object stays in place. We have thought of everything.

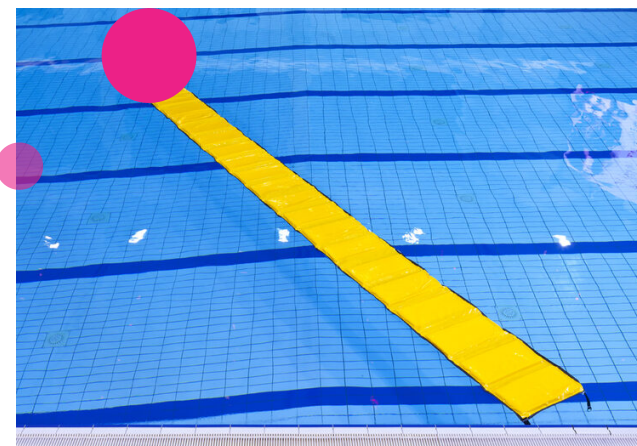

Premium quality with guarantees

All our water attractions are made of strong, high frequency welded PVC material of 900 gr/m2. This is our way of guaranteeing the quality of our products. The PVC material has a protective coating that is resistant to influences of chlorine and other water properties. This means you will purchase a durable product that is easy to keep clean to boot. This item comes with a 1-year warranty.

Purchase this water walking pool mat and deliver the experience kids will remember as a hilarious day!

Rely on JB, just like more than 15,000 customers have done before you

At JB, we have made people around the world jump for joy for over 15 years now. That's right, more often than not literally! We are proud of our team of designers, developers and logistic staff, because they supply unique inflatable attractions in a grand way! Our customers are, therefore, assured of our professional service and delivery. They tend to call us 'creators of greatness'.
